We can help with issues not related to Shelter Pro. However, payment for technical assistance will be billed in addition to the Shelter Pro pricing structure.
- Technical assistance does not include user training. Training options are available and can be purchased separately.
- Data backups are the customer's responsibility. Daily backups are recommended, however backup procedures are at customer's discretion.
- For support service, customers are welcome to call and/or email as needed. Most issues will receive initial recognition with a first call during normal weekday business hours. However, if we are not available please leave a message knowing that we take great care in returning messages.
- At a minimum, any reported issue will get acknowledgement within 48 hours of initial report. In actual practice, most technical support issues will be serviced and solved within a few hours of first contact.
